PABBATHI DEVI AKSHARA

B.Tech. CSE – Artificial Intelligence & Machine Learning | Expected Graduation: 2029

GitHub • CodeChef • LinkedIn

PROFESSIONAL SUMMARY

Second-year Computer Science and Engineering student specializing in AI/ML, with a strong academic record (9.75 CGPA) and a growing foundation in programming, data structures, databases, and backend development. Interested in building practical software solutions, improving problem-solving skills, and exploring machine learning. Experienced in collaborative project work and hackathon team leadership.

EDUCATION

B.Tech. – Computer Science & Engineering (AI/ML) — **CGPA: 9.75**

Vallurupalli Nageswara Rao Vignana Jyothi Institute of Engineering & Technology (VNR VJIET) — Expected 2029

TECHNICAL SKILLS

Programming	C, Python (foundational)
Data & Databases	Data Structures (foundational), SQL, MongoDB
Backend & Tools	Node.js, Express.js, GitHub (project experience / foundational)
Interests	Software Engineering, Web Development, DSA, Machine Learning

PROJECTS

Course Enrollment System | Backend Application

Built a backend-focused course enrollment application using Node.js, Express.js, MongoDB/Mongoose, JWT authentication, and bcrypt password hashing. Implemented role-based user/admin workflows and enrollment rules, including duplicate-enrollment and course-capacity checks.

Cloud Resource Allocation and Scheduling Simulator | OS Project

Developed a Streamlit-based simulator to explore memory/resource allocation strategies (First Fit, Best Fit, Worst Fit) and FCFS task scheduling. Packaged the application with supporting Python modules and project documentation for deployment.

LEADERSHIP & EXPERIENCE

Team Lead – Backend Application Development Hackathon

Led a team during a backend application development hackathon and advanced to Round 2. Collaborated on project planning and development, gaining experience in teamwork and working toward a technical deliverable under time constraints.

CERTIFICATION

Introduction to Generative AI — IBM SkillsBuild course
